Important Notices for MF Investors

Contact Details

All investors are required to update their correct and valid contact details i.e. mobile number and email id in all the funds where they have made their investments.

Investors who have recently changed their contact details are required to update the new details in all MF investments.

Nomination

All MF investors are required to update a name of Nominee in all MF folios. Nomination has been made compulsory even where investments are held jointly.

However investors have an option to 'OPT – OUT' of Nomination.

Investors on NSE Platform

SEBI has recently mandated that contact details registered on the NSE Platform should be same as those registered in the folio. If an investor has registered mobile number 'A' in the folio and he ACCEPTS the transaction from Platform on mobile number 'B', then his transaction will get rejected.

All investors are therefore mandated to maintain uniform contact details in all MF folios and NSE Platform.

Investors who have very old folios and have recently made changes in their contact details will have to take action and avoid rejections.
